Call For Papers

The international Conference on Electrical Engineering (CEE) serves as a forum for presenting and sharing recent research results and technological developments in the fields of Electrical Engineering.

The third edition of the conference (CEE'2023) will be held from 09 to 10 May, 2023 at the Ecole Militaire Polytechnique (EMP). The conference seeks submissions from academia, government, and industry. Particular topics of interest include, but are not limited to, the following:

- Guidance Navigation and Control
- Robotics and Autonomous Systems
- Computer Vision and Pattern Recognition
- Sensors and Data Fusion
- Embedded Systems
- Analogue and Digital Signal Processing
- Antenna Systems, Propagation and RF Design
- Networking, Security and Communication
- Lasers, Photonics and Optoelectronics
- Terahertz Technologies
- Nonlinear Optics and Applications
- Power Components and Power Electronics
- Electrical Machines and Actuators
- Renewable Energies and Power Quality
- Electromagnetic Compatibility

General Chair

Abdelkrim Nemra, EMP, Algeria

General Co-chairs

Rabah Louali, EMP, Algeria

Oualid Araar, EMP, Algeria

Steering Committee

Atmane Khellal, EMP, Algeria

Yasser Bouzid, EMP, Algeria

Lakhdar Khadir Besseghieur, EMP, Algeria

Habib Choukri Lamraoui, EMP, Algeria

Mohamed Amine Alouane, EMP, Algeria

Website Chair

Mhamed Mataoui, EMP, Algeria

Local Organizing Committee:

Abdelouahab Bazoula, EMP, Algeria

Instructions for authors

Authors are invited to submit original contributions (written in English) in PDF format. Only original papers, not published or considered for publication elsewhere, can be submitted. Papers should follow the Lecture Notes in Electrical Engineering (LNEE) formatting guidelines. Further information regarding paper submission can be found at <http://www.emp.mdn.dz/events/cee/>. Original submissions will be subject to a peer-review process. Accepted and presented papers will be included in the conference proceedings. **Selected papers will be considered for publication in Springer series, Lecture Notes in Electrical Engineering (LNEE).**
