

CEE 2019 – The First Conference on Electrical Engineering April 22-23, 2019, Algiers, Algeria

After the success of the previous editions of CEE conferences under the name "CGE" (Conférence sur le Génie Electrique, with ten editions), the first edition of CEE will be held from April 22nd to 23rd, 2019 at Ecole Militaire Polytechnique (EMP), Algeria. This conference is intended as a tradition offering open forum and meeting space for researchers working in the field of electrical engineering. For this new edition, the topics included are:

- Networking and Communication Systems
- Biomedical signal processing
- Signal Processing
- Image and Video Processing
- Antenna Systems
- Embedded Systems, Security and Privacy
- Renewable Energy and Power Systems
- Control and Navigation Systems
- Automatic Systems
- Power converters and Electrical machines
- Electromagnetic Compatibility
- Electro-Optics
