

6th conference on
Computing Systems and Applications
23-24 April 2024, EMP, Algiers, Algeria

CALL FOR PAPERS

CSA is open to researchers, academics, and industry practitioners interested in the latest scientific and technological advances occurring in different fields of computer science. The conference seeks high-quality research contributions in the form of well-developed papers.

Topics

Topics of interest encompass research advances in all areas of computing systems and applications, and are categorized into the following tracks:

- Track 1: Artificial Intelligence and Data Science;
- Track 2: Computer Networks and Distributed systems;
- Track 3: Cyber Security and Privacy;
- Track 4: Information Systems and Software Engineering;
- Track 5: Computer Vision and Graphics.

Paper Submission

Authors are kindly invited to submit articles of up to 10 pages (including figures, tables and references) following the LNCS (Lecture Notes in Computer Science) formatting guidelines. Papers must be written in English, carefully checked for grammar and spelling, addressing one or several conference topics.

Paper Publication

Original submissions will be examined thoroughly by at least two referees. All accepted and registered papers will be considered for potential inclusion in the prestigious Springer series: Lecture Notes in Networks and Systems (LNNS).

Venue

The 6th edition of CSA will be held in the Ecole Militaire Polytechnique Chahid Abderrahnabe Taleb (EMP) on 23-24 April 2024. EMP is one of the pioneering engineering colleges in Algeria. It is situated in Bordj El Bahri, a lively city lapped by the Mediterranean sea and facing the well-known Algiers Bay.
