53 Introduction

Ecole Militaire Polytechnique (EMP) Chahid Abderrahmane Taleb is organizing the 11th Symposium on Chemistry and Chemical Engineering (SCCE11) on April 15–16, 2025. This scientific meeting which is held once every a couple of years, provides a favorable environment for knowledge exchange among researchers, students and industrials regarding both latest scientific and technical progress in chemistry areas, giving opportunities for new cooperation, as well .

16 Scientific topics

- A- Energetic materials and pyrotechnic systems**
- B- Polymers and advanced materials**
- C- Green chemistry and renewable energies**
- D- Interfacial phenomena and reactivity**

15 Paper and abstract template

Abstracts and papers must be written in English, according to the available template on the SCCE11 website:

<https://www.emp.mdn.dz/events/scce/>
